MEMORANDUM

FROM: Fonda L. Steele 
U.S. Probation Officer

RE: **Albert Acri**
Docket No. 1:CR-01-140

EARLY TERMINATION REQUEST

On February 14, 2005, the above-captioned individual was sentenced by Your Honor to twenty-four months imprisonment and three years supervised release. The Court also ordered payment of a \$1,000.00 fine.

Mr. Acri, who commenced supervision with our office on December 16, 2003, has had a good adjustment to supervision and his financial obligation has been paid in full. He maintains a stable home life with his wife, was employed full-time until he had a stroke which required hospitalization, all drug testing have been negative and he has complied with all conditions of supervised release. Further, there has been no indication of any reinvolvement in criminal activity.

18 U.S.C. § 3583 allows the Court to terminate the term of supervised release should the Court be satisfied by the conduct of the releasee and determine that such action is in the interest of justice. Assistant U.S. Attorney Eric Pfisterer has no objection to an early termination.

Attached is an Order for Your Honor's consideration.
